From award-winning author Debra Clopton comes the Texas Matchmakers series—about three matchmakers who set off a nationally advertised "Wives Wanted Campaign" to bring women to their small town of Mule Hollow to marry the lonesome cowboys. A far fetched idea that's working—look out fellas, the women are coming one car at a time! Widowed mother Olivia Dancer and her young daughter arrive in Mule Hollow to confront the father of her nephew. The stubborn cowboy has refused to allow her to have contact with the little boy and she is determined to make sure he is doing okay.

Rancher Gabe McKennon has his reasons for being leery of Olivia Dancer, her sister ripped his life apart and he will stop at nothing to keep his son from ever going through that again. But Gabe's mother and the meddling matchmakers of Mule Hollow are not cooperating...

Then there's the fact that when Olivia shows up on his doorstep, turning her away is harder to do than he thought.

Can love find a way to heal the past and bring these two together?

Note: This book was previously published as A Mother For Mule Hollow. This edition includes some fun extras.
